All Members & Youth of Stockholm Jamaat,

Salamun Alaikum & Heartiest Kkushali Mubarak!

Mahe Ramadhan Relief 2004/1425

Opportunity to gain more thawab has arrived. Are you ready to participate?

The World Federation Mahe Ramadhan Relief has through the donations and efforts of the members of the Khoja Shia Ithna-Asheri Community for the past years become a tradition and a must event to participate in. This year is of course not an excuse !

InshaAllah in our Jamaat, the Youth Body together with all willing volunteers, will also this year hold a fund raiser in the spirit of *thawab-e-jari*. On the birth eve of our beloved present Imam, Hazrat Imam Muhammad Mahdi AS, InshaAllah this years fund shall be launched all over the world as a global project.

The project is as always under the guidance of The World Federation who will be responsible for utilising the funds.

Besides having the collection boxes in the Centre, we will be having different ways of collecting funds (and for you to gain *thawab*). The different fund-raising activities will continuously be announced - so try to divide your funds in to all possible slots!
